

We Thank You for Your Presence

Wherever two or more
have gathered in Your name,
Your presence O Lord,
will be there in that place.

So we haven't any doubt
You're here among us now,
Moving by Your power,
and pouring Your Spirit out.

Lord, we thank You
for Your presence,
For Your Spirit in this place;
We will boldly come before You,
Drawing near to Your throne of grace.

Lord, we thank You
for Your presence,
For Your Spirit in our lives;
We enthrone You on our praises,
And we come as one
to worship You, Jesus Christ.
