

# **You Are So Faithful**

*By Lenny LeBlanc and Greg Gulley*

*(Verse 1)*

Like the sun  
that rises ev'ry day,-----  
You are so faithful,  
Lord, You are faithful.

Like the rain  
that you send---  
and ev'ry breath that I breathe,-----  
You are so faithful, Lord.

*(Verse 2)*

Like a rose  
that comes alive ev'ry spring,-----  
You are so faithful,  
Lord, You are faithful.

Like the life  
that You give  
to ev'ry beat of my heart,-----  
You are so faithful, Lord.

*(chorus)*

I see a cross  
and the price You had to pay.-----  
I see the blood-----  
that washed my sins a way.

And in the midst of a storm,  
thru the wind and the waves,-----  
You'll still be faithful,  
You'll still be faithful.

When the stars----  
refuse to shine and time is no more,  
You'll still be faithful,  
You'll still be faithful, Lord.

*(verse 3)*

Like the sun  
that rises ev'ry day,-----  
You are so faithful,  
Lord, You are faithful.

Like the rain  
that you send---  
and ev'ry breath that I breathe,-----  
You are so faithful, Lord.

*(chorus)*

I see a cross  
and the price You had to pay.-----  
I see the blood-----  
that washed my sins a way.

And in the midst of a storm,  
thru the wind and the waves,-----  
You'll still be faithful,  
You'll still be faithful.

When the stars----  
refuse to shine and time is no more,  
You'll still be faithful,

You'll still be faithful, Lord.
